## ODOO DEVELOPER

+998 91 619 70 79 | [abdullohbek11@gmail.com](mailto:abdullohbek11@gmail.com) | [linkedin.com/in/shakhzodbek-latibov](https://linkedin.com/in/shakhzodbek-latibov)

### PROFESSIONAL SUMMARY

Odoo developer with 1 year of hands-on experience. Proficient in automating business processes using Python and the Odoo framework, developing new modules, and optimizing existing ones. Strong expertise across the Sales, Accounting, Inventory, and Purchase modules, as well as in designing and integrating large-scale ERP solutions.

### TECHNICAL SKILLS

<b>Languages:</b> Python, JavaScript (OWL), XML, HTML/CSS	<b>Framework:</b> Odoo 19 (Community & Enterprise)
<b>Database:</b> PostgreSQL	<b>Tools:</b> Git, Docker, Ubuntu/Linux
<b>Reporting:</b> QWeb Reports, Excel Export	<b>Integrations:</b> REST API, JSON-RPC, Payment Systems

### WORK EXPERIENCE

#### Summertech LLC — Odoo Developer

May 2025 – Present

- Developed new custom Odoo modules based on client requirements.
- Customized existing modules (Sales, Purchase, Inventory) to meet business needs.
- Created complex, printable reports using QWeb.
- Managed database optimization and data migration processes.

### PROJECTS

#### Enterprise ERP System for a Large Trading Company

- Participated in designing, building, and deploying a complete ERP solution for a large trading company.
- Tailored the Sales, Purchase, Inventory, and Accounting modules to the company's business processes, automating sales and warehouse operations.
- Integrated the system with existing external services via REST API and JSON-RPC, ensuring reliable data synchronization.

**Technologies:** Odoo 19, Python, PostgreSQL, REST API, JSON-RPC

#### Finarum App

- Automated dental clinics by unifying appointment scheduling, patient management, billing, and inventory tracking into a single system.
- Developed modules that streamline the clinic's day-to-day operations.

**Technologies:** Odoo 19, Python, PostgreSQL
